GREEN & FLAVORED ICED TEA

THE PERFECT COMPLEMENT TO YOUR LUZIANNE® SWEET AND UNSWEET MENU OFFERINGS.

Luzianne takes the extra steps to carefully select our tea leaves and specially blend them for iced tea. Customization is key! It's easy and economical to add various flavors of tea or offer both refreshing black and flavored tea, providing a choice to customers.

EARN EXTRAORDINARY PROFITS!

The average menu price for a glass of iced tea is \$1.83*, but only costs you pennies to produce. Serving Luzianne Fresh Brew Black, Green and Flavored Iced Tea targets customers who might simply order water and provides more choices and costs less to produce than a soft drink.
