LUZIANNE TEA

THE RIGHT TEA FOR ICED TEA

Tea is a great alternative to soda and one of the most profitable items you can serve. Luzianne Iced Tea is specially blended for iced tea using the very best tea leaves that are analyzed by our third-generation tea master to create the clear, smooth blend that consumers know and love.

Why serve tea?

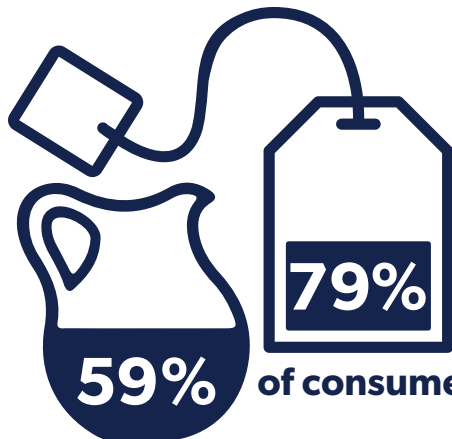

- High Profit Margins
- **Over 50%** of the American population drinks tea on any given day
- Approximately **75 - 80%** of tea consumed in America is iced
- **87%** of millennials drink tea

HISTORY

Since 1902, Reily Foods has helped define the flavors of food and beverage in the South with brands like Blue Plate Mayonnaise and Luzianne Tea. In 2013, Reily acquired New England Coffee Company – expanding our reach to include more of the East Coast. Reily Foods remains a family-owned and operated company and is dedicated to offering quality products to our customers.

A natural extension of our company's 100-year legacy of quality, is our commitment to deepening our focus on environmental sustainability and responsible production. We are focused on efficient operations, responsible purchasing, sustainable sourcing, and giving back to core communities.

With deep relationships and expertise in coffee, tea, mayonnaise, sauces, and more, Reily Foods has a family of solutions including private label capabilities for food service operators across multiple channels.
