

LET'S DO COFFEE

Custom coffee roasting with Reily Foods

Build a better business with a seasoned & successful custom coffee roaster that's designed for the grind. Reily Foods Company is family owned & privately held since 1902, so we've proven to be an adaptable partner that collaborates with businesses to meet their needs.

Why Private Label?

Increase brand awareness by putting your brand name in front of your customers on a regular basis.

Strengthen customer loyalty by offering your customers a unique & high-quality product that they can't find anywhere else.

Grow your profits by allowing you to set your own prices & margins.

What is custom coffee roasting?

- Roasting, grinding & whole bean handling
- Agglomerating, flavoring & blending expertise
- Strong market hedging & trade experience
- Offering Organic, Rainforest Alliance & Fair-Trade Certified options
- Neotec & Probat roasting systems

Get it how you want it

Ground Coffee or Whole Bean

- Fractional packs
- Filter packs
- Retail packs

Low industry minimums & price stability

We accommodate a broad spectrum of volume needs, from small craft batches to large-scale operations.

How we work:

- Over 100 years in sourcing & roasting expertise across major, nationally-recognized brands.
- Quality testing & sensory evaluations begin at green delivery & run all the way through the final packaging.
- Three Q-Grade cuppers with a combined 50 years of experience on staff.
- BRC Global Food Safety Initiative (GFSI) Certified, AA rated 11 years in a row.
- Strategic manufacturing facilities in Malden, MA, Knoxville, TN, & New Orleans, LA.

JFG Coffee • Knoxville, Tennessee Since 1919

More than coffee

Reily Foods has extensive experience developing private label mayonnaise for industrial & national account partners.
