The versatile sauce that enhances every dish.

Treat your customers to a tantalizing taste of Tiger Sauce®, the sweet and spicy blend sure to please every palate.

Born in a cayenne pepper base, this exotic combination of ingredients offers a moderately spicy (yet enticingly sweet) taste perfect for meat and seafood dishes. And to really enhance the flavor of all your favorites, don't forget a sprinkling of Tiger Seasoning — equally delicious on meats, vegetables, and fries. Available in a variety of sizes for both front and back-of-the-house use.
